

## A reliable companion in every situation

The GlobComm ST18 10" capacitive touch screen that supports glove touch runs Windows 10 Home or Pro or Android 5.1 and at only 14mm thick light enough to carry all day but rugged enough with IP67 sealed from water and dust and 1.2 metre drops (MIL-STD 810G), 3G as standard and other options gives it great versatility. Standard with an 8-hour lithium-ion polymer battery this tablet will allow your team to be the most productive they've ever been!
