The Industry Standard Durable, Reliable, Versatile and Easy to Use

Introduced in 2003, the Labelase 1000 is heavy industry's largest selling laser-powered metal tag printer. Around the world, LL1000s are printing tags to nail on to hot steel slabs, wire onto galvanizing trays, rivet onto refinery pumps and fix to laboratory equipment, industrial engines and outdoor fixtures. They are a world standard for speed, durability and value.

- ✦ Sharp, clear text, barcodes, logos, graphics, and user controlled fonts.
- ✦ Automated batch printing from a 300 ft (91 m) coil.
- ✦ Compact footprint for desk-top or bench-top use.
- ✦ Easy and safe operator controls.
