

Point Of Sale Cash Drawers

85014:

The 85014 is a mid-priced heavy-duty unit with a solid steel construction. The separate ABS insert for both the note and removable coin tray make it easier to insert large notes and credit card slips into the recessed media tray. It is finished in "PC Beige" and contains 4/5 note compartments and 10 adjustable coin scoops. It also has a 3-position release lock and a media-posting slot on the front drawer for added security.

Size: 440mm (wide) x 450mm (deep) x 115mm (high incl. feet)

Solenoid: 24Volt with interface cable and RJ11 connector to suit Epson printers

107:

This is our Top of the Range cash drawer and is suitable for high volume applications. It is a high quality steel unit manufactured by Norwood. The solid ABS insert contains 8 deep coin scoops and 4 note compartments with metal clips. It has a drawer open bell and 2-position lock on the front with solenoid release underneath.

Size: 450mm (wide) x 460mm (deep) x 120mm (high incl. feet)

Solenoid: 24Volt with interface cable and RJ11 connector to suit Epson printers
