SOFTWARE SOLUTIONS

Are you dreading pay day ?

Does it take you forever to do payroll?

Do you feel like you have better things to do ?

Roshtek Attendance Manager

V.1.0

Roshtek Attendance Manager is industry-leading Time and Attendance solution for small to medium-sized businesses.

Roshtek has perfected an all in one solution to solve the Time and Attendance needs of Retail, Wholesale, Mining, General Trades, Government and Educational agencies, Healthcare, and small to large companies across the globe.

Roshtek Attendance Manager is capable of meeting the high demands of your business while still remaining simple enough to master right out of the box!

Roshtek Attendance Manager keeps track of the Time and Attendance of employees at your fingertips, saving you the time to reconcile timesheets and calculate entitlements. In addition, detailed information on each employee's job times are recorded.

Roshtek Attendance Controllers Works with a touch screen based time system, which gives you the best user interface; Touch screen can use Pin Pad by default or additional add-on options like, biometric (fingerprint), RFID or barcode clocks.

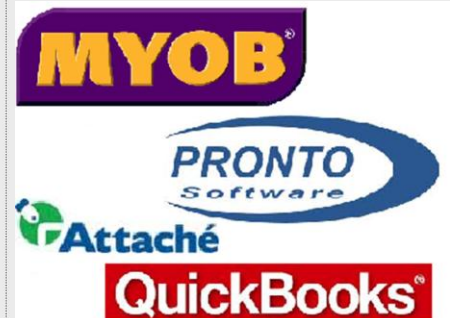

Roshtek Attendance Controllers feature network connectivity, with Ethernet Cabled or Wi-Fi wireless. There is no need for the expense of a dedicated PC that systems with just a USB connection require.

Roshtek Attendance Manager Gives you control over lost time and productivity, which can significantly impact your organization's profitability.

Roshtek Attendance Manager Solutions provide business owners, HR and payroll administrators an easy way to gain control of employee time.
