Obvios® Tomahawk

PRODUCT DESCRIPTION

Obvios® presents the 'Tomahawk' POS PC. Compact and unobtrusive, the Tomahawk is a retail hardened PC that is equipped with all of the connectivity and power specifications that are required in today's demanding retail environments.

Available with either Celeron or Pentium 4 CPU, the Tomahawk is a high performance PC with unmatched expansion and functionality.

The Tomahawk provides power and connectivity to multiple retail devices, including support for receipt printer, dual cash drawer, customer display and barcode scanner.
