

MobileAsset SPT 1800 Combo Pack

Captra MobileSales - Combo Pack with SPT1800

QuickBooks functionality right on your PDA

Captra v5.1 integrates with QuickBooks® Pro, Accountant, Enterprise and the variety of new Premier editions (Not for Profit, Wholesale Distribution, Manufacturing, Professional Services and more). Captra v5.1 supports QuickBooks USA installations using 2002, 2003, 2004 or 2005 versions along with Australian, Canadian, and New Zealand versions 2003, 2004 or 2005.

Remember: If you are using any of the above versions of QuickBooks, regardless of the country you are in, Captra will work for you. The kit includes Wasp Captra MobileSales software, and a Symbol SPT1800 Palm unit with built-in laser scanner. HotSync cable, cable, battery pack, and power supply included.

Key Customer Benefits

- Increased Profits - spend more time building your business and less time managing your books with the ease of Captra™ and QuickBooks® integration.
- Improve Productivity — eliminate paper files, handwritten quotes and the time wasted on data re-entry. Give yourself your own time back.
- Enhance Customer Service — access customer records, product pricing and available inventory from anywhere, in an instant on your PDA with your updated QuickBooks database information.
- Leverage Technology — Barcode Scanning, Wireless LAN, Wireless WAN and rugged mobile PDAs.
