

WAX/RESIN RIBBON Z201

PREMIUM WAX/RESIN RIBBON

Z201 is a UL-recognized **premium wax/resin ribbon** delivers superior image durability on a wide variety of label and tag materials. Along with increased abrasion and heat resistance, this ribbon also provides excellent print darkness and high-definition characters and images. Z201 **premium wax/resin ribbon** prints up to 10 ips utilizing less printhead energy than competitive wax/resin formulations. Z201 offers “plug & print” compatibility with industry leading premium wax/resin ribbons. Z201 redefines the price-performance equation in the industry. Our proprietary anti-static back coating formulation dissipates static electricity and works to protect and extend the life of your valuable printheads.

Quality starts with OUR film

FEATURES
